Hawaii Chapter

## President's Message

This is an unprecedented year full of uncertainty and challenges we are all facing. The Hawaii CPCU Society Chapter has been unable to host and support the events we normally participate in. However, the silver lining is we have the opportunity to participate in virtual events with CPCU members nationwide! The much anticipated Annual Meeting (now known as In2Risk) will be held virtually on 10/7 – 10/9 with registration costs only a quarter of what it normally is. We highly encourage members to participate and take advantage of accessing over forty informative sessions and workshops that will be offered.

We are excited to be collaborating with select CPCU Chapters of California to host a joint virtual All Industry Day on 10/22 that is open to all free of charge! In addition, HIIA and the Hawaii CPCU Society Chapter will be hosting our joint virtual All I Day on 11/19. Announcements are forthcoming for these two events, please stay tuned!

Special congratulations to our three New Designees this year. A pandemic did not stop these go-getters from achieving their CPCU designation. Let's congratulate and welcome these new members to our chapter!

## CPCU Goodworks 2020

Every year the Hawaii CPCU Society Chapter volunteers their time and talents to non-profit organizations in our State. Last year, we volunteered at the Kapiolani Radiothon for Hawaii Pacific Health Foundations to help raise funds for their pediatric programs. We also participated in a clean-up with Paepae o He'eia, a private non-profit organization dedicated to caring for the He'eia Fishpond.

This year we took a different approach with our Goodworks mission. We were restricted in volunteering our time and talents, therefore we offered our treasures and donated much needed funds instead. This pandemic has left more people and organizations in dire need of food. The Hawaii CPCU Society Chapter made charitable donations to Hawaii FoodBank and Hawaii Meals on Wheels.
